

COTTLEVILLE FIREFIGHTERS OUTREACH

SPONSORSHIP OPPORTUNITIES

SEPTEMBER 2020 - AUGUST 2021

Charitable

100% of your gifts go back into the community and are tax deductible.

Enriching

Our projects create new opportunities for everyone in the community to enjoy.

Inclusive

Our programs help families regardless of background and ability.

Safer • Happier • Healthier

Help us provide assistance to the most at-risk families.

For over a decade we have provided community through family-friendly events, building projects and assistance programs. 2020's challenges forced us to pivot away from events as fundraisers- but it also highlighted just how necessary our programs are in helping struggling families. Now more than ever, your support can make our mission possible.

What We Can Accomplish Together

COVID-19 has shifted the direction of our sponsorships, but not diminished our appreciation for you.

Despite the pandemic, we continued to provide most of our crucial programs to the community. This year we started a new program to assist the teachers that are facing so many new challenges of their own- fulfilling supplies wishlists for their classrooms. We also provided durable winter coats to hundreds of students again this year. We've donated 1,700 new winter coats to less fortunate children in our County over the last few years. This year we also provided many fuel gift cards to struggling students and parents.

We provided and installed smoke detectors in many homes, ensuring the residents would have early warnings in the event of a fire. We also installed safety rails and grab handles in homes for the elderly to reduce the risk of dangerous falls. We doubled our scholarships for aspiring nurses and first responders. We provided post-fire hotel stays and personal item replacement for a dozen families.

Flexible Sponsor Benefits

We hope to safely host some of our community events in 2021 but we're not certain which events will be feasible yet. As we make that determination your sponsorship recognition and benefits will expand accordingly. Contact us for more details.

Website and newsletter sponsorships will include your organization logo on our web materials. Social media mentions will be tied to our charitable works, crediting you with making those works possible. Highlights and Coat Partnerships will provide unique article-like posts about why and how your organization is engaged in our mission.

READY TO GET INVOLVED?

Organization: _____

Name of Contact: _____

Address: _____

Phone Number: _____

Email: _____

Website: _____

Payment can be made by credit card on our website:
www.fireoutreach.com/sponsors

Please make checks out to 'CFO' and return this completed form to:
 CFO, PO Box 353, Cottleville MO 63338
