(YOU ARE NOT ALONE)

CANCER SUPPORT PROGRAM

We wish to provide a little bit of kindness and support to the people facing the challenging aspect of cancer. Cancer eventually touches the lives of every individual whether that be friends, family, spouse....or oneself. When going through ups and downs, facing many unknowns, and battling the everyday changes a little bit of kindness can go a long way.

Everyone's situation is different and we would like to help each individual in the most impactful way we can. Your donation provides assistance in food, gas, home modifications, counseling, alternative healing modalities, home cleaning, pet care, clothing, and hair care. Your gift reminds these survivors that they are never fighting alone.

This year, your sponsorship gift will help us continue to provide meaningful programs like these and also to establish disability-inclusive playgrounds.

We thank you for your consideration and ongoing support of our mission.
